Out Of School Hours Program

Our approach to Out Of School Hours Care (OSHC) is to provide a high quality environment that is safe and gives children the opportunity to learn and play. The Grange Community Centre OSHC programs activities aligned with our Philosophy, with an emphasis on the children having fun in a relaxed and safe environment.

Our Service offers a wide range of fun, stimulating and appropriate experiences that reflect real world experiences and home settings. This helps encourage a sense of community amongst children, facilitates leadership skill development and allows the children to practice social skills in a supporting caring environment.

Programs and Activities

Our plans and activities are aligned with our Philosophy and are underpinned by the values of the National Quality Framework and 'My Time Our Place' which includes educational principles to develop appropriate and engaging activities for children in our care.

We take a collaborative approach to establish and implement each activity in order to engage children and allow them to take ownership of the program which creates a sense of comfort and belonging. We aim to ensure programs develop organically and reflect the individual and group interests of the children. Supervised activities include, but are not limited to:

- Cooking
- Drama
- Art and Craft
- Music and Singing
- Indoor and Outdoor Sport
- Puzzles and Games

Child Care Subsidy (CCS)

From 2 July 2018, Australia has a new child care package. Under this new package the Child Care Subsidy replaces the previous Child Care Benefit and Child Care Rebate. Child Care Subsidy is paid directly to the approved Service, reducing the amount of fees that you are required to pay. The package will mean that child care will be more affordable for most Australian families. For more information on the Child Care Package and to further understand the CCS eligibility requirements, please visit the Department of Human Services Website or contact Centrelink directly on 13 1650. If you are not already registered, we encourage you to contact the Family Assistance Office (Centrelink) to find out more.
