

Dear Parent/Guardian,

The Grange P-12 College is looking forward to another great year of teaching and learning and would like to advise you of The Grange P-12 College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your ongoing support as this allows our school to offer a wide range of programs and curriculum experiences to enhance your child's learning.

We continue our relationship with Lilydale Books to assist families in purchasing stationery items to own and use (see booklist attached). The booklist provides a comprehensive guide to the items your child will need in class carefully selected by The Grange P-12 College to support student learning.

You can order through Lilydale Books at <https://www.lilydalebooks.com.au/schools/the-grange-p-12-college> with flexible delivery and collection options including:
