Year 1

Dear parents

This letter provides information about voluntary contributions you can make to support The Grange P-12 College for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability. Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

The Grange P-12 College offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact: Heather Seddon, 03 9748 9166, Email: the.grange.p12@education.vic.gov.au.

If you need an interpreter, please contact 03 9605 3053 and give our school's phone number 03 9748 9166. An interpreter can help you speak with us. This service is free. For more information, please see How to use an interpreter to contact your school.

For more information on the Department of Education's Parent Contributions policy please see the information attached. You can read the full policy at Parent Contributions: Policy | education.vic.gov.au.

Yours sincerely

**STEM Academy students in 2027 will be part of competitions and participate in Team events. Additional costs may be incurred for interstate competitions.

Learning materials for students to own

Booklist items:
You can choose to buy learning materials for your child to individually use and own. These items can be bought from any supplier.

The Grange P-12 College has an arrangement with the following supplier for the materials that you can buy: Lilydale Books.

If you do not buy these items, your child will still be provided with what they need, however they may not be provided with these items to own, or keep, on an individual basis.

If you wish to buy items through the supplier, please see the attached flyer 'How to Order your Booklist' and go to: https://www.lilydalebooks.com.au/schools/the-grange-p-12-college.

If you would like to buy items to own that are not from this supplier, you can use the Lilydale list supplied as a guideline, including information about editions of textbooks and calculator specifications that will be used. These lists are also on our website at https://www.thegrange.vic.edu.au/our-college/document-resource-centre/.

Digital devices:
The Grange P-12 College uses digital devices to support learning.

Your child will be provided with access as they need for their learning, but it may not be one-to-one, to take home, or to keep.

Financial help for families
The Grange P-12 College understands families can experience financial difficulty.

Help is available, including:

- **Camps, Sports and Excursions Fund** – this program provides funding for eligible students, including those in out of home care, and holders of eligible financially means-tested cards (such as health care cards), to attend activities like camps, sporting activities, excursions and incursions that are offered on a user-pays basis.
- **Affordable School Uniforms** - delivered by State Schools Relief, this program helps cover costs such as school uniforms, shoes, and other essential school items where families are experiencing financial hardship or short-term crisis.
- Families experiencing financial hardship can gain assistance from our Wellbeing Team.

Applications for support from the Camps, Sports and Excursions Fund and State Schools Relief are submitted by the school - please contact us to discuss these and other financial help.

For a confidential discussion about how to access financial help, please contact:
Heather Seddon. Ph: 03 9748 9166 | Email: the.grange.p12@education.vic.gov.au

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. FREE INSTRUCTION

Schools give students free instruction in the curriculum. This includes:

- Free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.
- The Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major, and the Victorian Pathways Certificate.
- Free access to all subjects, including elective subjects.
- Free access to select-entry and accelerated programs.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools must provide students with free access to what they need for curriculum delivery.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link the department's Parent Contributions policy.
